ABOUT ME

I am an experienced game developer with developed skills and experience in web design and development and have worked in the industry since 2019. I am used to working in a team while also capable of using my own initiative. I am always seeking for improvement in terms of efficiency and work performance.

WORK EXPERIENCE

Wishcraft Group of Companies - Game Developer  
May 2019 – Present

Unity Game Developer in Innovations Team, in which I develop games for specific executions given by the client. Resolved bugs and issues in a timely manner, wherein I also helped in assisting clients to troubleshoot, and resolve emergent technical issues.

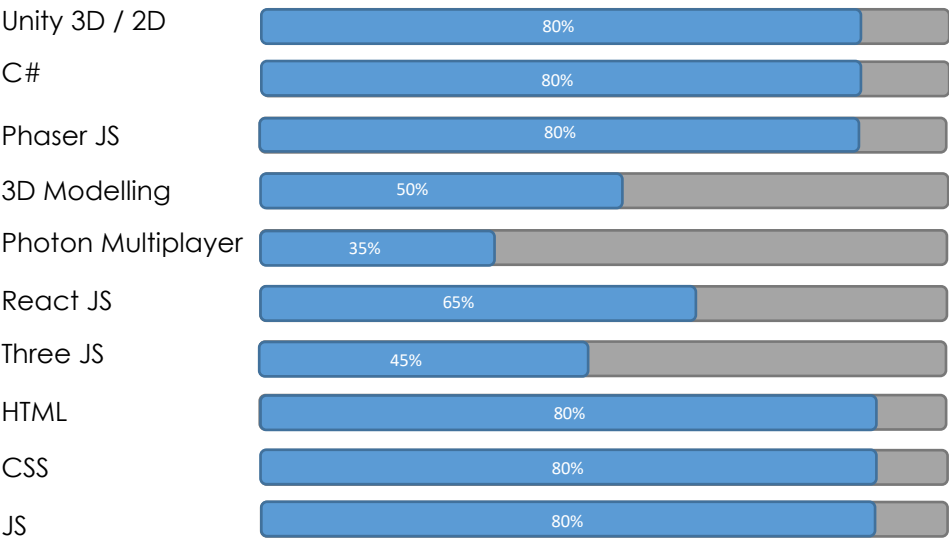

Bragais Shoes – Freelance Full Stack Web Developer  
February 2023 – June 2023

As a Freelance Web Developer, I independently developed an Inventory and Shoe Development Monitoring System that helped Bragais Shoes Factory and Bragais Shoes Flagship Store to be synchronized with their product stocks, while also being able to track the development of their shoes in real-time.

Wishcraft Group of Companies - Game Development Intern  
November 2018 – February 2019

Contributed in developing games and web apps while also assisted in troubleshooting, and brainstorming to develop an up-to-date innovative approach of game executions.
